

PRESS RELEASE

December 3rd, 2007

All the new Palm Phones... with just a walk to "GERMANOS"!!

"GERMANOS chain stores" announces the beginning of the collaboration with "IntelliSolutions S.A.", the official representative for Palm telephones in Greece.

In the frame of the new collaboration the new Palm® TREO™ phones will be found in all "GERMANOS" stores from the beginning of December, adding in their range of smart phones. The agreement concerns all points of sale of "GERMANOS Chain Stores", both in Greece and in the N.A. Europe.

Mr A. Ntabos, Marketing Manager for Mobile Telephony of "GERMANOS chain stores" emphasized about the collaboration of two companies: *"We welcome Palm® Smartphones in our stores. For the modern professionals Smartphones are the ideal solution for all types of communication, so that they do not abstain from all that they need in their everyday work. We answer to this need and we strengthen the range of our products with the most modern existing in the mobile telephony"*

"Increasingly, professionals and enterprises turn to smartphones to provide tools to enhance their mobile productivity. The investments of PALM, which owns the leading Smartphones Palm® TREO™ 750 and Palm® TREO™ 680, are exclusively towards this direction. It is our pleasure that Palm® TREO™ smartphones are henceforth available through GERMANOS Chain Stores, developing the know-how but also the integrated services of the company in Greece and N.A. Europe", added the Mr. Panagiotis Gialelis, Managing Director of IntelliSolutions S.A. - official representative of PALM in Greece.

With more from 400 points of sale in Greece, "GERMANOS Chain Stores", with the innovation and the vast specialization in the rapidly developing area of mobile telephony, constitutes the standard destination for the consumer to cover each and every telecommunications need!
